

## Scrap Happy Stars:

### Class Description

A wonderful quilt to use your scraps! The block is a slight variation of the Road to Oklahoma block. Try it in a miniature or a lap size quilt. Instructions will be given for both a 2" miniature size and an 8" traditional size block. Pick your choice. The 8" block is a good use for 2½" jelly roll strips.

Strong contrast between light and dark value fabrics is recommended. Miniature quilt size finishes 11" x 14". Lap quilt finished 60" x 76". The light background fabric may be scrappy or a common light fabric.

### Class supplies

Normal sewing items, small cutting mat (12" x 18") with rotary cutter; acrylic rules—9"(4" for miniature) square and 4"x6"rectangle or similar size; and a pencil

Fabrics: For either the miniature or the large blocks, bring an assortment of scraps for in class sewing.(pressed and ready to use). Additional scraps can be added later. Scraps should include both darks for stars and lights for background fabrics.

Note: background could be one common fabric about 2½ yds for the lap quilt, or a FQ for a miniature, if desired. Border fabrics should be selected after the blocks are completed and set.
