

Float the Monkeys

Class Description:

Are you tired of losing points in blocks? Come learn to “Float” the traditional Monkey Wrench block, make a friendship star sashing and use the left over triangles for a pieced border. Lap size quilt finishes approximately 64” x 80.5”. Makes a wonderful scrappy quilt, but would look equally nice from a line of fabric. A common background fabric is recommended. Block size is 12”

Class supplies:

Normal sewing items, cutting mat with rotary cutter; acrylic rules-- 12”and/ or 6” bias square and 6x18”rectangle or similar size; and a pencil

A collection of assorted scraps. Minimum sizes are 3” x 10” and 10” x 10” .You can start with some for class and add others later. Repeating fabrics in additional blocks is optional, I did not.

2 to 2½ yards of a background fabric to accentuate the collection of squares. Total yardage will be used for the blocks.

1 ¼ yd of an accent fabric for an inner border.

2 yds for outside border and binding. [Can be purchased after top center is assembled.]
